South Sound Center Independence Day Celebration!!

Dear Community Supporter,

Forty-four years ago South Sound Center started a tradition. The center provided a patriotic fireworks show for the community on July 3rd to celebrate our Nations Independence Day.

Every year approximately fifteen thousand community members enjoy this event to help memorialize our Nations Independence Day. Each year we seek to make it better than the year before.

Starting at 6pm the event opens with activities for children, food vendors and the American Legion Band providing us with their fantastic patriotic music and more.

In an effort to maintain this community event the center is seeking co-sponsorships and contributors to this annual event that has become a staple of the Independence Day Weekend.

With your financial support we will be able to keep this tradition alive and bring many community members to the Lacey area as well as raising the profile of your business within the Lacey area.

Please consider helping out your community and contributing to this great event.

Thank you for your time and consideration.
